

## **PAKISTAN NATIONAL SHIPPING CORPORATION**

### **Ship Management Company**

PNSC Group of companies, as a National Flag Carrier undertakes Global Shipping Operations by engaging most competent and qualified Pakistani seafarers since decades. At present, PNSC fleet performance is in the top quartile as per international standards. Optimizing its rich experience and branding, PNSC has started to provide specialist marine recruitment and management services for both seagoing and shore based personnel covering all sectors of the shipping industry but with particular emphasis on the tanker and bulk carrier offshore market both at national and international levels.

Headquartered in Karachi (Pakistan), one of the leading countries in the region with a strong maritime history and traditions, well renowned for its world class marine professionals and well educated and skilled workforce backed up with wide experience and passion for hard work. We do have know-how based experience of working for and with prestigious Oil majors.

As Ship Management company serving all type of vessels, with special emphasis on bulk carrier and tanker fleets. We are always committed to offering personal and accessible services. Our clients and candidates choose to work with us because they want a professional and personal approach.

With a team having over 40 years of experience in ship management, crewing and sailing as deep sea Officers, and dealing efficiently with all the aspects of shipping and maritime activities.

We know the market, we know your needs, we are able to find available and qualified as per the latest Maritime standards crew to you, and we will do our utmost to fulfill your requirements.

We can assure excellence in all we do and we are focused on delivering quality services. Looking forward for ship owners and seafarers to approach us for provision of required services.
