Introduction

We have reviewed the accompanying condensed interim balance sheet of Pakistan National Shipping Corporation as at December 31, 2013, the related condensed interim profit and loss account, condensed interim statement of changes in equity and condensed interim cash flow statement and notes to the accounts for the six-month period then ended (here-in-after referred to as the 'interim financial information'). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures included in the condensed interim profit and loss account for the quarters ended December 31, 2013 and 2012 have not been reviewed as we are required to review only the cumulative figures for the six months period ended December 31, 2013.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

2. STATEMENT OF COMPLIANCE

These condensed interim financial statements of the Corporation for the six months period ended December 31, 2013 have been prepared in accordance with the requirements of the International Accounting Standard No. 34 'Interim Financial Reporting' and provisions of and directives issued under the Companies Ordinance, 1984 (the Ordinance). In case where requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail.

These condensed interim financial statements comprise of the condensed interim balance sheet as at December 31, 2013 and the condensed interim profit and loss account, condensed interim statement of changes in equity and the condensed interim cash flow statement for the six months period ended December 31, 2013 which have been subjected to a review in accordance with the listing regulations but not audited. These condensed interim financial statements also include the condensed interim profit and loss account for the quarter ended December 31, 2013 which is not subjected to review.

The comparative balance sheet, presented in these condensed interim financial statements, as at June 30, 2013 has been extracted from the audited financial statements of the Corporation for the year ended June 30, 2013 whereas the comparative condensed interim profit and loss account, condensed interim statement of changes in equity and condensed interim cash flow statement are for the six months period ended December 31, 2012 which were subject to review but not audited.

These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's annual financial statements for the year ended June 30, 2013.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended June 30, 2013.

3.1.1 Standards, amendments and interpretations effective for the periods beginning from July 1, 2013:

There are certain new standards, amendments and International Financial Reporting Interpretations Committee (IFRIC) interpretations that became effective during the period and are mandatory for

accounting periods beginning on or after July 1, 2013 but are considered not to be relevant or have any significant effect on the Corporation's operations and are, therefore, not disclosed in these condensed interim financial statements.

3.1.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective:

There are certain standards, amendments and interpretations to approved accounting standards that are effective for accounting periods beginning on or after July 1, 2014 but are considered not to be relevant or do not have any significant effect on the Corporation's operations and are therefore not detailed in these condensed interim financial statements.

3.2 On August 14, 2009, the Government of Pakistan (GoP) launched Benazir Employees' Stock Option Scheme (the "Schemes") for employees of certain State Owned Enterprises (SOEs) and non-State Owned Enterprises where GoP holds significant investments (non-SOEs). The scheme is applicable to permanent and contractual employees who were in employment of these entities on the date of launch of the Scheme, subject to completion of five years vesting period by all contractual employees and by permanent employees in certain instances.

The Scheme provides for a cash payment to employees on retirement or termination based on the price of shares of respective entities. To administer this scheme, GoP shall transfer 12% of its investment in such SOEs and non-SOEs to a trust fund to be created for the purpose of such entities. The eligible employees would be allotted units by each Trust Fund in proportion to their respective length of service and on retirement or termination of such employees would be entitled to receive such amounts from Trust Funds in exchange for the surrendered units as would be determined based on market price of listed entities or breakup value of non-listed entities. The shares related to the surrendered units would be transferred back to GoP.

The scheme also provides that 50% of dividend related to shares transferred to the respective Trust Fund would be distributed amongst the unit-holder employees. The balance 50% dividend would be transferred by the respective Trust Fund to the Central Revolving Fund managed by the Privatisation Commission of Pakistan for payment to employees against surrendered units. The deficits, if any, in Trust Funds to meet the re-purchase commitment would be met by GoP.

The Scheme, developed in compliance with the stated GoP policy of the empowerment of employees of State Owned Enterprises need to be accounted for by the covered entities, including the Corporation, under the provisions of amended International Financial Reporting Standard-2 'Share Based Payments' (IFRS 2). However, keeping in view the difficulties that may be faced by the entities covered under the Scheme, the Securities & Exchange Commission of Pakistan on receiving the representation from some of the entities covered under the Scheme and after having consulted the Institute of Chartered Accountants of Pakistan, has granted exemption vide SRO 587(I)/2011 dated June 7, 2011 to such entities from application of IFRS 2 to the Scheme.

Had the exemption not been granted, the impact for the six months period ended December 31, 2013 and 2012 would have been as follows:

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim consolidated financial statements are the same as those applied in the preparation of the consolidated financial statements for the year ended June 30, 2013.

3.1.1 Standards, amendments and interpretations effective for the periods beginning from July 1, 2013:

There are certain new standards, amendments and International Financial Reporting Interpretations Committee (IFRIC) interpretations that became effective during the period and are mandatory for accounting periods beginning on or after July 1, 2013 but are considered not to be relevant or have any significant effect on the Corporation's operations and are, therefore, not disclosed in these condensed interim financial statements.

3.1.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective:

There are certain amendments to the approved accounting standards and interpretations that are mandatory for accounting periods beginning on or after July 1, 2014 but are considered not to be relevant or do not have any significant effect to the Group's operations and are therefore not mentioned in these consolidated financial statements.

3.2 On August 14, 2009, the Government of Pakistan (GoP) launched Benazir Employees' Stock Option Scheme (the "Schemes") for employees of certain State Owned Enterprises (SOEs) and non-State Owned Enterprises where GoP holds significant investments (non-SOEs). The scheme is applicable to permanent and contractual employees who were in employment of these entities on the date of launch of the Scheme, subject to completion of five years vesting period by all contractual employees and by permanent employees in certain instances.

The Scheme provides for a cash payment to employees on retirement or termination based on the price of shares of respective entities. To administer this scheme, GoP shall transfer 12% of its investment in such SOEs and non-SOEs to a trust fund to be created for the purpose of such entities.

The eligible employees would be allotted units by each Trust Fund in proportion to their respective length of service and on retirement or termination of such employees would be entitled to receive such amounts from Trust Funds in exchange for the surrendered units as would be determined based on market price of listed entities or breakup value of non-listed entities. The shares related to the surrendered units would be transferred back to GoP.

The scheme also provides that 50% of dividend related to shares transferred to the respective Trust Fund would be distributed amongst the unit-holder employees. The balance 50% dividend would be transferred by the respective Trust Fund to the Central Revolving Fund managed by the Privatisation Commission of Pakistan for payment to employees against surrendered units. The deficits, if any, in Trust Funds to meet the re-purchase commitment would be met by GoP.

The Scheme, developed in compliance with the stated GoP policy of the empowerment of employees of State Owned Enterprises need to be accounted for by the covered entities, including the Group, under the provisions of amended International Financial Reporting Standard-2 'Share Based Payments' (IFRS 2). However, keeping in view the difficulties that may be faced by the entities covered under the Scheme, the Securities & Exchange Commission of Pakistan on receiving the representation from some of the entities covered under the Scheme and after having consulted the Institute of Chartered Accountants of Pakistan, has granted exemption vide SRO 587(I)/2011 dated June 7, 2011 to such entities from application of IFRS 2 to the Scheme.

Had the exemption not been granted, the impact for the six months period ended December 31, 2013 and 2012 would have been as follows:
