PAKISTAN NATIONAL SHIPPING CORPORATION DIRECTORS' REPORT FOR THE FIRST QUARTER ENDED SEPTEMBER 30, 2022

The Board of Directors of Pakistan National Shipping Corporation Group (the Group/PNSC) is pleased to submit the un-consolidated and consolidated condensed interim financial statements of PNSC and Group respectively for the first quarter ended September 30, 2022.

OVERVIEW

The PNSC Group has managed to achieve 748% increase in profit after tax to Rs.5,388 million as against Rs.635 million in the corresponding period last year.

Group earnings per share increased to Rs.40.80 as against Rs.4.81 in the corresponding period last year.

The factors leading to improved financial performance of the group includes induction of two new tanker vessels M.T. Mardan and M.T. Sargodha which also resulted in an increase in liquid cargo weight capacity by 214,246 MT and average growth in AFRA from 97 to 201 and World scale from 4.98 to 5.29. Additionally, average exchange rate against USD during the period was Rs. 229 as compared to Rs. 167 in the corresponding period last year.

Cumulatively, the Group achieved a turnover of Rs.14,431 million (including Rs.4,533 million from PNSC) as compared to Rs.4,700 million (including Rs.1,822 million from PNSC) for the corresponding period last year.

Overall revenue from all segments has increased as compared to last year by Rs.9,730 million.

The major increase in revenue was seen in the Liquid Cargo segment which increased by Rs.8,075 million and includes increase of Rs.6,283 million from owned vessels and Rs.1,792 million from foreign charter vessels.

The increase in revenue was also seen in the Dry Cargo segment which increased by Rs.1,647 million mainly due to the increase in business from slot charter.

The PNSC standalone results reflect a profit after tax of Rs. 850 million as compared to profit after tax of Rs. 88 million in the corresponding period of the last year backed by the increment in volume of slot chartering activities.

Due to exponential increase in revenue, the gross profit margin and net profit margin at group level is increased to 43% and 37% as compared to 20% and 14% respectively in the corresponding period last year.

During the current period the finance cost increased by Rs.175 million (146%) compared to corresponding period last year, due to increase in long-term financing by Rs.4,102 million. Major reason for increase in finance cost is due to the borrowing obtained for the induction of two new tanker yessels M.T. Mardan and M.T. Sargodha.

FUTURE PROSPECTS

Bulk carrier markets have softened in recent months, as easing port congestion and a slowdown in newbuilding demand due to fears of a global economic recession have had clear impacts. While clearly adding to economic headwinds, the Russia-Ukraine conflict has also triggered shifts in trade patterns which have mitigated some of the impacts on vessel demand; an EU ban on Russian coal imports has boosted long-haul trade, while Russian exports of coal and other bulks are 'pivoting' towards Asia. The softening of China's imports due to the pull back in their construction sector, government restrictions on steel output to curb CO2 emissions along with fears of a global recessions are slowing China's manufacturing rates, which in turn had slowed the demand for dry bulk. However, in the long run, there appears support for markets to remain healthy by historical standards, in particular as environmental regulations including EEXI and CII are expected to curb vessel availability.

Tanker market conditions are currently very strong, and the outlook remains positive. Strong conditions have been driven by a range of supportive demand factors, including rebounding oil production in key regions as impacts from COVID have ebbed, and shifts to longer-haul trade flows as a result of both impacts from the Ukraine conflict and shifts in refinery capacity. With the orderbook small and tanker demand expected to strengthen further next year, tanker market conditions are expected to remain firm in the rest of 2022 and through 2023. While new regulations could lead to an increase in vessel recycling, active vessel supply is also likely to be tightened by slower operating speeds, and vessels taking time out of service for retrofitting in order to comply with new environmental regulations are all expected to support freight rates in the short to medium term. Tanker asset prices, particularly for older vessels are increasing disproportionately, due to entities associated with the sanctioned / banned Russian oil trade snapping up all available tonnage at significantly above average rates. However, there still remain a range of downside risks to the demand outlook, notably potential for a lack of significant improvement in Chinese oil demand next year if widespread COVID restrictions continue, as well as from the slowing global economy.

ACKNOWLEDGMENT

The Board would like to extend its gratitude to all the stakeholders for their continued support and confidence.

Rear Admiral Jawad Ahmed, SI(M) Chairman & Chief Executive Officer

Karachi October 25, 2022 Khowaja Obaid Imran Ilyas Director

Ro- Of

پاکستان نیشن شپنگ کار پوریش ڈائر یکٹر زر پورٹ برائے پہلی سہ ماہی اختیام از 30ستمبر ، 2022

پاکستان نیشنل شپنگ کارپوریشن گروپ (گروپ / پی این ایس سی) کا بورڈ آف ڈائر یکٹر زپی این ایس سی اور گروپ کے پہلی سہ ماہی اختشام از 30 ستمبر ، 2022 کے لیے بالتر تیب منظم اور متفرق عبوری مالیاتی گوشوارے بخوش پیش کررہاہے۔

مجموعي جائزه

بی این ایس سی گروپ گزشتہ سال اسی دورانے میں 635 ملین روپے کے مقابلے میں 748 ٪ اضافے کے ساتھ 5,388 ملین روپے بعد از قبکس منافع حاصل کرنے میں کامیاب رہاہے۔

گروپ کی فی حصص آمدن میں گزشتہ سال اسی دورانیے کے 4.81روپے فی حصص کے مقابلے میں 40.80روپے فی حصص تک اضافیہ ہوا۔

گروپ کی مالی کار کر دگی کو بہتر بنانے والے عوامل میں دونئے ٹینکر جہازوں ایم ٹی مر دان اور ایم ٹی سر گو دھا کی شمولیت ہے، جس کے بنتیج میں مالع کار گو وزن کی گنجاکش میں 214,246 ملین ٹن تک اضافہ بھی ہو ااور ایفرامیں اوسطاً 97سے 201 تک اور عالمی پیانے پر 4.98 سے 5.29 تک اضافہ ہوا۔ مزید ہر آل، اس دورانیے میں امریکی ڈالر کے مقابلے میں اوسط شرح مبادلہ گزشتہ سال اسی دورانیے کے 167 روپے کے مقابلے میں 229روپے رہی۔

مجموعی طور پر، گروپ نے گزشتہ سال اسی دورا نیے ملیں 4,700 ملین روپے (بشمول پی این ایس سی کے 1,822 ملین روپے) کے مقابلے میں 14,431 ملین روپے (بشمول پی این ایس سی کے 4,533 ملین روپے) کاکاروبار حاصل کیا۔

گزشتہ سال کے مقابلے میں تمام شعبوں کی مجموعی آ مدنی 9,730 ملین روپے تک بڑھی ہے۔

آ مدنی میں زیادہ اضافہ مائع کار گوشعبہ میں دیکھا گیا جس میں 8,075 ملین روپے کا اضافہ ہوا جس میں زیر ملکیت جہازوں سے حاصل ہونے والا 6,283 ملین روپے اور غیر ملکی چارٹر جہازوں سے 1,792 ملین روپے کا اضافہ شامل ہے۔

آ مدنی میں اضافہ خشک کار گوشعبہ میں بھی دیکھا گیا جس میں 1,647 ملین روپے کا اضافہ ہوا جس کی بنیادی وجہ سلاٹ چارٹرسے حاصل ہونے والاکاروباری اضافہ ہے۔

صرف پی این ایس سی کے نتائج گزشتہ سال اسی دورانیے میں 88 ملین روپے کے مقابلے میں 850 ملین روپے بعد از ٹیکس منافع ظاہر کرتے ہیں، جو سلاٹ چارٹر میں اضافے کی وجہ سے ہے۔

آمدن میں غیر معمولی اضافے کے باعث، گروپ کی سطح پر مجموعی منافع کا مار جن اور خالص منافع کا مار جن بالتر تیب 43٪ اور ٪37رہاجو گزشتہ سال اسی دورانے میں بالتر تیب20٪ اور ٪44 تھا۔

گزشتہ سال اسی دورانیے کے مقابلے میں طویل مدتی فنانسنگ میں 4,102 ملین روپے اضافے کے نتیجے میں موجودہ دورانیے میں مالیاتی

لاگت میں 175 ملین روپے (146 ٪) کا اضافہ ہوا۔ مالیاتی لاگت میں اضافے کی بڑی وجہ دو نئے ٹینکر جہازوں ایم ٹی مر دان اور ایم ٹی سر گو دھاکی شمولیت کے لیے حاصل کر دہ قرضہ ہے۔

مستقبل کے امکانات

عالمی اقتصادی کساد بازاری کے خدشے کی وجہ سے بندر گاہوں پر بھیڑ کی کمی اور نئی تعمیرات کی طلب کم ہونے کے نمایال اثرات کے سبب حالیہ مہینوں میں بلک کیر میئر لیوں میں نرمی آئی ہے۔ واضح طور پر اقتصادی مشکلات میں اضافہ کا باعث بنتے ہوئے، روس – یو کرین حالیہ مہینوں میں بلک کیر میئر لیوں میں نرمی آئی ہے۔ واضح طور پر اقتصادی مشکلات میں اضافہ کا باعث بنتے ہوئے، روس – یو کرین تنازعہ نے تجارتی وضع میں بھی تبدیلیاں پیدا کی ہیں جس نے جہازوں کی طلب پر ہونے والے کچھ اثرات کو زائل کیا ہے؛ روس کو کئے کی درآ مدات پر یور پی یو نمین کی جانب سے پابندی نے طویل فاصلے کی تجارت کو فروغ دیا ہے، جبلہ روس کی کو کئے اور بڑی مقدار میں دیگر اثارہ اسے کور آمدات میں نرمی، کاربن ڈائی آکسائیڈ ور کے اخراج کو کم کرنے کے لیے سٹیل کی پیداوار پر حکومتی پابندیال، نیز عالمی کساد بازاری کے خدشات چین کی پیداواری شرح کوم کررہے ہیں، جس کے نتیج میں خشک بلک کی طلب میں کمی آئی ہے۔ تاہم طویل مدت میں، تاریخی معیارات کے مطابق منڈیوں کے استحکام میں مدد کا امکان موجود ہے، خاص طور پر جیسا کہ EEXI اور COI سمیت ماحولیاتی ضوابط سے تو قع ہے کہ جہاز کم دستیاب ہوں گے۔

موجودہ طور پر ٹینکر مارکیٹ کے حالات نہایت مستحکم ہیں اور تناظر مثبت ہے۔ مستحکم حالات کا سبب متعدد معاون عوامل ہیں، بشمول COVID کے اثرات میں کی کی وجہ سے اہم خطوں میں تیل کی پیداوار کی بحالی اور یو کرین تنازعہ کے اثرات، نیزریفائنزیوں کی استعداد میں تبدیلی کے نتیج میں طویل فاصلے کے سفر کی تجارت پر تبدیلی۔ آئندہ سال آرڈر میں کی اور ٹینکر کی طلب مزید مستحکم ہونے کی توقع کی وجہ سے، 2022 کے بقیہ جھے اور 2023 تک ٹینکر مارکیٹ کے حالات مستحکم رہنے کی امید ہے۔ جیسا کہ نئے ضوابط جہازوں کی ری سائیکلنگ میں اضافے کا باعث بن سکتے ہیں، تاہم، بحری جہازوں کی ست رسد بھی کم ہونے کا امکان ہے، اور نئے ماحولیاتی ضوابط کی تعمیل کے لیے درکاروقت کی وجہ سے فریٹ کے نرخوں میں مختصر سے در میانی مدت کے لیے دیٹر وفئنگ کے لیے غیر فعال ہونے والے جہازوں کے لیے درکاروقت کی وجہ سے فریٹ کے نرخوں میں مختصر سے در میانی مدت میں اضافے کی توقع ہے۔ ٹینکرا ثاثوں کی قیمتیں، خاص طور پر پر انے جہازوں کے لیے غیر متناسب طور پر برطور ہی ہیں، جس کی وجہ اجازت مشدہ / پابندی شدہ روی جاری رہتی ہے اور COVID کی وسیع تر پابندیاں جاری رہنے سے آئندہ سال چینی تیل کی طلب میں نمایاں عالمی معیشت میں سُست روی جاری رہتی ہے اور COVID کی وسیع تر پابندیاں جاری رہنے سے آئندہ سال چینی تیل کی طلب میں نمایاں بہر کی کا امکان کم رہتا ہے توطلب کے تناظر میں ابھی کی کا خطرہ موجو د ہے۔

PAKISTAN NATIONAL SHIPPING CORPORATION AND ITS SUBSIDIARY COMPANIES NOTES TO AND FORMING PART OF THE CONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE QUARTER ENDED SEPTEMBER 30, 2022 (UNAUDITED)

1. THE GROUP AND ITS OPERATIONS

The Group consist of Pakistan National Shipping Corporation (the Holding Company), its subsidiary companies and an associate (together 'the Group'). The Holding Company was formed under the provisions of the Pakistan National Shipping Corporation Ordinance, 1979 while the subsidiaries were formed and registered under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017), respectively. The Group is principally engaged in the business of shipping, including charter of vessels, transportation of cargo and other related services. The Group is also engaged in renting out its properties to tenants under lease agreements. The Group's registered office is situated at PNSC Building, Moulvi Tamizuddin Khan Road, Karachi except for Pakistan Co-operative Ship Stores (Private) Limited which is situated at 70/4, Timber Pond, N.M Reclamation Kemari, Karachi.

The Group consists of:

Holding company

Pakistan National Shipping Corporation

Subsidiary companies

- Bolan Shipping (Private) Limited
- Chitral Shipping (Private) Limited
- Hyderabad Shipping (Private) Limited
- Pakistan Marine and Shipping Services Company (Private) Limited
- Johar Shipping (Private) Limited
- National Ship Management and Crewing (Private) Limited
- Karachi Shipping (Private) Limited
- Khairpur Shipping (Private) Limited
- Lahore Shipping (Private) Limited
- Lalazar Shipping (Private) Limited
 Makran Shipping (Private) Limited
- Malakand Shipping (Private) Limited
- Multan Shipping (Private) Limited
- Quetta Shipping (Private) Limited
- Sargodha Shipping (Private) Limited
- Shalamar Shipping (Private) Limited
- Sibi Shipping (Private) Limited
- Swat Shipping (Private) Limited
- Pakistan Co-operative Ship Stores (Private) Limited

Associate

- Muhammadi Engineering Works (Private) Limited

The Holding Company owns 73% (2022: 73%) of the share capital of Pakistan Co-operative Ship Stores (Private) Limited and 100% (2022: 100%) of the share capital of the remaining eighteen subsidiary companies. Each of wholly owned subsidiaries operate one vessel / tanker with the exception of Swat Shipping (Private) Limited, Johar Shipping (Private) Limited, National Ship Management and Crewing (Private) Limited, Pakistan Marine and Shipping Services Company (Private) Limited and Makran Shipping (Private) Limited which currently do not own any vessel.

2. BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE

2.1 Statement of compliance

These consolidated condensed interim financial statements of the Group for the first quarter ended September 30, 2022 have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed. These consolidated condensed interim financial statements do not include all the information and disclosures required in an annual audited financial statements, and should be read in conjunction with the financial statements for the year ended June 30, 2022 as these provide an update of previously reported information.

- 2.2 These consolidated condensed interim financial statements comprise of the consolidated condensed interim statement of financial position as at September 30, 2022 and the consolidated condensed interim statement of profit or loss and other comprehensive income, the consolidated condensed interim statement of changes in equity, the consolidated condensed interim statement of cash flows and notes thereto for the guarter ended September 30, 2022.
- 2.3 The comparative statement of financial position presented in these consolidated condensed interim financial statements as at June 30, 2022 has been extracted from the annual audited consolidated financial statements of the Group for the year ended June 30, 2022 whereas the comparative consolidated condensed interim statement of profit or loss and other comprehensive income, consolidated condensed interim statement of changes in equity and consolidated condensed interim statement of cash flows for the quarter ended September 30, 2021 have been extracted from the consolidated condensed interim financial statements of the Group for the quarter period then ended, which were neither subject to a review nor audit.
- 2.4 These consolidated condensed interim financial statements are unaudited and are being submitted to the shareholders as required by listing regulations of Pakistan Stock Exchange vide section 237 of the Companies Act, 2017.

2.5 Basis of measurement

These consolidated condensed interim financial statements have been prepared under the historical cost convention except for land & buildings at revalued amounts less accumulated depreciation and impairment, staff retirement benefits and compensated absenses which are carried at present value and investment property and financial instrument which are carried at fair value.

2.6 Functional and presentation currency

These consolidated condensed interim financial statements are presented in Pakistani Rupees which is also the Group's functional currency and all financial information presented has been rounded-off to the nearest thousand Rupee except where stated otherwise

3. SIGNIFICANT ACCOUNTING POLICIES

- 3.1 The accounting policies and the methods of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the consolidated financial statements for the year ended June 30, 2022.
- 3.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective
 - (a) Amendments to published approved accounting standards which are effective during the quarter ended September 30, 2022

There are certain amendments to approved accounting standards which are mandatory for the Group's annual accounting period which began on July 1, 2022. However, these do not have any significant impact on the Group's financial reporting and, therefore, have not been detailed in these consolidated condensed interim financial statements.

(b) Standards and amendments to published approved accounting standards that are not yet effective

Certain other new standards and amendments to the approved accounting standards will also be mandatory for the Group's annual accounting periods beginning on or after July 01, 2022. However, these amendments will not have any significant impact on the financial reporting of the Group and, therefore, have not been disclosed in these consolidated condensed interim financial statements

4. SIGNIFICANT ACCOUNTING ESTIMATES, JUDGEMENTS, ASSUMPTIONS AND FINANCIAL RISK MANAGEMENT

The preparation of consolidated condensed interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses, however, actual results may differ from these estimates. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. Revision to accounting estimates are recognised prospectively commencing from the period of revision.

Judgements and estimates made by the management in the preparation of these consolidated condensed interim financial statements are the same as those applied in the Group's consolidated annual financial statements for the year ended June 30, 2022.

The Group's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended June 30, 2022.

13. CONTINGENCIES AND COMMITMENTS

Contingencies

13.1 There are no major changes in the status of contingencies as reported in the annual audited consolidated financial statements for the year ended June 30, 2022, except for:

(Unaudited)

(Audited)

12

The contingent liability in respect of claims not acknowledged by the Holding Company aggregated to Rs. 576.186 million as of the period end (2022: Rs. 543.192 millions). These claims mainly relate to deficiencies in shipping documentation, delay in delivery of cargo and damages to cargo. A sum of Rs. 501.767 million (2022: Rs. 500.885 millions) would be recoverable from P&I Club, Steamship Mutual Underwriting Association (Bermuda) Limited in the event that these claims are accepted by the Holding Company. As a matter of prudence, the management has made a total provision of Rs. 74.419 million (2022: Rs.42.307 million) against the aforementioned claims in these consolidated condensed interim financial statements.

- 13.4 The Group has provided an undertaking amounting to USD 11.6 million (Rs 2,626.550) to one of the vendor / supplier of another state owned entity. This undertaking has been provided due to arrest of two of its managed vessels operated by its subsidiaries which have been released subsequently. However, the Government of Pakistan has provided a counter guarantee to the Holding Company in relation to the aforesaid undertaking.
- 13.5 Commitments in respect of Enterprise Resource Planning (ERP) implementation and maintenance amounting to USD 0.417 million (Rs 94.420 million) and USD 0.192 million (Rs 43.474 million) respectively.

18. FINANCIAL RISK MANAGEMENT AND FAIR VALUE DISCLOSURES

18.1 Financial risk factors

The Group's activities expose it to a variety of financial risks: market risk (including interest rate risk, currency risk and price risk), credit risk and liquidity risk.

These consolidated condensed interim financial statements do not include all financial risk management information and disclosures which are required in the annual financial statements and should be read in conjunction with the Group's annual financial statements as at June 30, 2022. There have been no changes in risk management policies since the year end.

18.2 Fair value estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value hierarchy

As at September 30, 2022, the Group's all assets and liabilities are carried at cost less accumulated depreciation / impairment, if any, or at amortised cost except for those mentioned below:

The Holding Company's leasehold land, buildings on leasehold land, beach huts and workshop machinery and equipment are stated at revalued amounts, being the fair value at the date of revaluation, less any subsequent accumulated depreciation and subsequent accumulated impairment losses, if any. The fair value measurements of the Group's leasehold land, buildings on leasehold land, beach huts and workshop machinery and equipment as at June 30, 2022 was performed by an independent valuer.

The Holding Comapny classifies investment properties and long-term investments in listed companies measured at fair value in the statement of financial position. The latest fair valuation of the Holding Company's investment properties was performed by an independent valuer as at June 30, 2022.

The valuation techniques and inputs used to develop fair value measurements of aforementioned assets are as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities:
- Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- Level 3: Those whose inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the period.

Details of fair value hierarchy and information relating to fair value of Group's leasehold land, buildings on leasehold land, beach huts, workshop machinery and equipment, investment categorised as fair value through profit or loss and investment properties are as follows:

Assets carried at fair value	Level 1	September Level 2	udited) er 30, 2022 Level 3 s in '000)	Total
Long-term investments - Fair value through profit or loss Short-term investments - mutual funds	37,329 108,181 145,510		-	37,329 108,181 145,510

19. TRANSACTIONS WITH RELATED PARTIES

The Group has related party relationships with its associate, Government of Pakistan and its related entities, employee benefit plans and its directors and executive officers (including their associates). Transactions with related parties essentially entail freight income, chartering revenue recovered, recovery of demurrage, rental income and employee funds maintained by the Holding Company. Balances with related parties have been disclosed in the relevant notes to these consolidated condensed interim financial statements. Further, transactions entered into with the key management personnel as per their terms of employment are also included in related party transactions.

The significant transactions carried out by the Group with related parties during the period are given below:

Name and particulars	Relationship with the Group	Quarter ended September 30, 2022	Quarter ended September 30, 2021
Transactions with State owned / controlled entities			
Freight income		5,089,312	1,581,362

Chairman & Chief Executive

PAKISTAN NATIONAL SHIPPING CORPORATION NOTES TO AND FORMING PART OF THE UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE OUARTER ENDED SEPTEMBER 30, 2022 (UNAUDITED)

1. THE CORPORATION AND ITS OPERATIONS

- 1.1 Pakistan National Shipping Corporation (the Corporation) was established under the provisions of the Pakistan National Shipping Corporation Ordinance, 1979 and is principally engaged in the business of shipping, including charter of vessels, transportation of cargo and other related services and providing commercial, technical, administrative, financial and other services to its subsidiaries and third parties in relation to the business of shipping. The Corporation is also engaged in renting out its properties to tenants under lease arrangements. The Corporation is listed on the Pakistan Stock Exchange. The Corporation's registered office is situated at PNSC Building, Moulvi Tamizuddin Khan Road, Karachi.
- 1.2 These unconsolidated condensed interim financial statements are separate financial statements of the Corporation in which investments in subsidiaries and associate are accounted for at cost less accumulated impairment losses, if any.

2. BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE

2.1 Statement of compliance

These unconsolidated condensed interim financial statements of the Corporation for the quarter ended September 30, 2022 have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed. These unconsolidated condensed interim financial statements do not include all the information and disclosures required in an annual audited financial statements, and should be read in conjunction with the financial statements for the year ended June 30, 2022 as these provide an update of previously reported information.

- 2.2 These unconsolidated condensed interim financial statements comprise of the unconsolidated condensed interim statement of financial position as at September 30, 2022 and the unconsolidated condensed interim statement of profit or loss and other comprehensive income, the unconsolidated condensed interim statement of changes in equity, the unconsolidated condensed interim statement of cash flows and notes thereto for the first quarter ended September 30, 2022.
- 2.3 The comparative statement of financial position presented in these unconsolidated condensed interim financial statements as at June 30, 2022 has been extracted from the annual audited financial statements of the Corporation for the year ended June 30, 2022 whereas the comparative unconsolidated condensed interim statement of profit or loss and other comprehensive income, unconsolidated condensed interim statement of changes in equity and unconsolidated condensed interim statement of cash flows for the quarter ended September 30, 2021 have been extracted from the unconsolidated condensed interim financial statements of the Corporation for the quarter then ended, which were neither subject to a review nor audit.
- 2.4 These unconsolidated condensed interim financial statements are unaudited and are being submitted to the shareholders as required by listing regulations of Pakistan Stock Exchange vide section 237 of the Companies Act, 2017.

2.5 Basis of measurement

These unconsolidated condensed interim financial statements have been prepared under the historical cost convention except for land & buildings at revalued amounts less accumulated depreciation and impairment, staff retirement benefits and compensated absenses which are carried at present value and investment property and financial instruments which are carried at fair value.

2.6 Functional and presentation currency

These unconsolidated condensed interim financial statements are presented in Pakistani Rupees which is also the Corporation's functional currency and all financial information presented has been rounded-off to the nearest thousand Rupee except where stated otherwise.

3. SIGNIFICANT ACCOUNTING POLICIES

- 3.1 The accounting policies and the methods of computation adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the unconsolidated financial statements for the year ended June 30, 2022
- 3.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective
 - (a) Amendments to published approved accounting standards which are effective during the quarter ended September 30, 2022

There are certain amendments to approved accounting standards which are mandatory for the Corporation's annual accounting period which began on July 1, 2022. However, these do not have any significant impact on the Corporation's financial reporting and, therefore, have not been detailed in these unconsolidated condensed interim financial statements.

(b) Standards and amendments to published approved accounting standards that are not yet effective

Certain new standards and amendments to the approved accounting standards will be mandatory for the Corporation's annual accounting periods beginning on or after July 01, 2022. However, these amendments will not have any significant impact on the financial reporting of the Corporation and, therefore, have not been disclosed in these unconsolidated condensed interim financial statements.

4. SIGNIFICANT ACCOUNTING ESTIMATES, JUDGEMENTS, ASSUMPTIONS AND FINANCIAL RISK MANAGEMENT

The preparation of unconsolidated condensed interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses, however, actual results may differ from these estimates. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. Revision to accounting estimates are recognised prospectively commencing from the period of revision.

Judgements and estimates made by the management in the preparation of these unconsolidated condensed interim financial statements are the same as those applied in the Corporation's unconsolidated annual financial statements for the year ended June 30, 2022.

The Corporation's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended June 30, 2022.

12.1 These deposits are interest free and are repayable on demand or on completion of specific contracts. As per the requirements of section 217 of the Companies Act, 2017 deposits are kept in separate bank accounts.

13. CONTINGENCIES AND COMMITMENTS

Contingencies

13.1 There are no major changes in the status of contingencies as reported in the annual audited unconsolidated financial statements for the year ended June 30, 2022, except for:

The contingent liability in respect of claims not acknowledged by the Corporation aggregated to Rs. 576.186 million as of the period end (2022: Rs. 543.192 millions). These claims mainly relate to deficiencies in shipping documentation, delay in delivery of cargo and damages to cargo. A sum of Rs. 501.767 million (2022: Rs. 500.885 millions) would be recoverable from P&I Club, Steamship Mutual Underwriting Association (Bermuda) Limited in the event that these claims are accepted by the Corporation. As a matter of prudence, the management has made a total provision of Rs. 19.097 million (2022: Rs.17.858 million) against the aforementioned claims in these unconsolidated condensed interim financial statements.

18. FINANCIAL RISK MANAGEMENT AND FAIR VALUE DISCLOSURES

18.1 Financial risk factors

The Corporation's activities expose it to a variety of financial risks: market risk (including interest rate risk, currency risk and price risk), credit risk and liquidity risk.

These unconsolidated condensed interim financial statements do not include all financial risk management information and disclosures which are required in the annual financial statements and should be read in conjunction with the Corporation's annual unconsolidated financial statements as at June 30, 2022. There have been no changes in risk management policies since the year end.

18.2 Fair value estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value hierarchy

As at September 30, 2022, the Corporation's all assets and liabilities are carried at cost less accumulated depreciation / impairment, if any, or at amortised cost except for those mentioned below:

The Corporation's leasehold land, buildings on leasehold land, beach huts and workshop machinery and equipment are stated at revalued amounts, being the fair value at the date of revaluation, less any subsequent accumulated depreciation and subsequent accumulated impairment losses, if any. The fair value measurements of the Corporation's leasehold land, buildings on leasehold land, beach huts and workshop machinery and equipment as at June 30, 2022 was performed by an independent valuer.

The Corporation classifies investment properties and long-term investments in listed companies measured at fair value in the statement of financial position. The latest fair valuation of the Corporation's investment properties was performed by an independent valuer as at June 30, 2022.

The valuation techniques and inputs used to develop fair value measurements of aforementioned assets are as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities;
- Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- Level 3: Those whose inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the period.

Details of fair value hierarchy and information relating to fair value of Corporation's leasehold land, buildings on leasehold land, beach huts, workshop machinery and equipment, investments categorised as fair value through profit or loss and investment properties are as follows:
